

## **Never Stop Shinning**

Uh, yeah I can see that were shining/ climbing to the top never gonna stop trying/ listen to the beat/ makes you wanna move your feet/ no room for violence/ let's break the silence.

### **Build:**

It's my body and what I say goes so you better listen up if I gotta to say No

### **Chorus:**

I know, I know, I know who I am you are looking at a diamond/  
Even when the suns down we never stop shining/ x2

### **Savannah verse**

You can't find something you never lost / shine from the heart and show us what you got /  
Ladies we can be strong, it's never wrong / just keep calm and put your crown on / don't  
judge me by my past I don't live there anymore / got my own shine and I know what I'm  
living for / wanna love me right gotta do what I say / life is a highway and I'm going my way.

### **Chorus:**

I know, I know, I know who I am you are looking at a diamond/  
Even when the suns down we never stop shining/ x2

### **Blake Young rap:**

Ok time for me to start rhyming/ young royalty is the crew that I'm in/ chilling with the shine  
girls perfect diamonds/ this is the moment perfect timing/ gotta show the whole world how to  
love right/ because sometimes we know that love bites/ me and my girls are so ready to fight/  
out of the darkness where we shine bright

To my girls love is your choice/ keep shinning lift up your voice/ you are more than your  
past/ lets go make the love last/ ok lemme see your hands up shine girls lets go stand up/ we  
bout to raise a standard 2x

### **Chorus:**

I know who I am you are looking at a diamond/  
Even when the suns down we never stop shining/ x2

Ooooooooo (Never Stop Shinning) x4

Never, stop shinning x4
